"InsMark helps us help our clients understand their money and their choices. At every InsMark seminar -- especially the Symposium -- I learn something new that changes what we do and how we can do it more efficiently. That translates to a better bottom line for us and for our clients. It's making more money for everyone -- just by pushing InsMark buttons on the computer. I wouldn't miss a Symposium."

"I have been in the business 29 years and have attended InsMark Symposium for over 20 years. Each one gives me at least 2-3 impact ideas that I can immediately take back and have impact for me and my clients. It is fun and always the best conference I attend annually."

Chris Jacob, CFP, InsMark Platinum Power Producer®, SFI-Cadeau, St. Louis, MO

"The best non-company presentation we go to each year. No best product promotion. The Symposium is about communication, sales, and the "how to" -- no insurance company does that anymore."
